ILY

Hey guys. I'm sorry. I feel bad. I have t even looked at this book for so long omg.

But I have a favour to ask if you guys. I was wondering if any of you would want to do a read for read?

All you'd have to do is inline comment here and read my book "Pick Up The Pieces" or my book "When Death Loved A Life" from my other account vadboy and tell me which book you want me to read, and I'll not only read it, but vote and give a little constructive criticism to make it better!❤thank you, and I hope some of you might have a go.

And also, if I find that your book is very well written I'll ask you if you want to become my editor ☺
